

What is Tearfund?

Tearfund is a Christian charity which partners with churches in more than 50 of the world's poorest countries. We tackle poverty and injustice through sustainable development, by responding to disasters and challenging injustice. We believe an end to extreme poverty is possible. Thousands of people needlessly suffer and die every day because of poverty. But that's not God's plan for the world. And God is calling you – all of us – to reach out to people in greatest need. We partner with local churches and organisations who have a crucial role to play in the places worst affected by poverty.

Our Mission

Our mission is to follow Jesus where the need is greatest, responding to crises and partnering with local churches and organisations to help people lift themselves out of poverty.

Our Vision

Our vision is to see people freed from poverty, living transformed lives, and fulfilling their God-given potential.

As we pursue this vision, we have four main focuses:

Meeting emergency needs

- We respond quickly to meet immediate needs when crises and disasters hit vulnerable communities.

Mobilising churches

- We envision, empower and equip churches to play their part in the development and transformation of their communities.

Transforming communities

- We support communities to become resilient to shocks and stresses and work towards a better future for themselves and others.

Changing society

- We seek to influence and change social, political, and economic systems and policies so that the poorest communities can get the services and opportunities they need to thrive.
